We are happy that you have decided to visit our office for your dental care. Our office is located at the above address immediately east of Ann Arbor in the community of Dixboro. If you are familiar with the area, this is the site of the Landau Building, next to Roger Monk Restaurant formerly The Lord Fox. This is approximately one mile east of Domino's Farms, which is on Plymouth Road near U.S. 23. There is ample parking and easy access on the first floor. It is a quiet and peaceful setting that we hope you will enjoy as much as we do.

We are enclosing a map to assist you in locating us.

If you are coming from the north:

take US 23 toward Ann Arbor-Toledo to Exit 41. Do not get off at downtown Ann Arbor. Stay on US 23 until Exit 41 (Plymouth Rd.) Turn left, or east, onto Plymouth Road so that you travel over the expressway. Continue for about one mile, into Dixboro. You will pass a yellow flasher and the Dixboro General Store. We are several hundred yards past the flasher on the right side of the road. The Landau Building is a two story brown brick office with parking behind.

If you are coming from the east:

take M-14 to Exit 10 (Ford Rd./Plymouth Rd.) You will approach a flasher for Plymouth Rd. and will go right, or west, for about 2 miles. You will enter Dixboro and see the Roger Monk Restaurant. We are just past the restaurant, on the same side.

If you are coming from the east on I-94, take it to US 23 and follow the instructions for coming from the south.

If you are coming from the south:

come up US 23 to Exit 41(Plymouth Road). Turn right, or east, onto Plymouth Rd. and continue for one mile, into Dixboro. You will pass a yellow flasher and the Dixboro General Store. We are several hundred yards past the flasher on the right side of the road. The Landau Building is a two story brown brick office with parking behind.

If you are coming from the west:

you will come through Ann Arbor on Plymouth Rd. From further west, take I-94 to US 23 and follow the directions for coming from the south.
