We are happy that you have decided to visit our office for your dental care. Our office is located at the above address immediately east of Ann Arbor in the community of Dixboro. Our office is on the first floor of the Landau Building. This is approximately one mile east of Domino's Farms, on Plymouth Road near U.S. 23. There is ample parking and easy access at the rear of the building. It is a quiet and peaceful setting that we hope you will enjoy as much as we do.

Continue for one mile into Dixboro. We are several hundred yards past the General Store on the right side of the road. The Landau building is a two-story brown brick office with parking behind.

If you are coming from the east:

Take M-14 to Exit 10 (Ford Rd./Plymouth Rd.) You will approach a stop light for Plymouth Rd. and will go right (west), for about 2 miles. You will enter Dixboro and see the Landau Building on your left.

If you are coming east on I-94, take it to US 23 and follow the instructions for coming from the south.

If you are coming from the south:
